How to apply

International Summer Symposium will be held as a part of JSCE 68th Annual Conference. Please register and submit your paper in English through the Annual Conference website.

<http://committees.jsce.or.jp/zenkoku/gaiyo/top> (in Japanese)

Select the 'International Session' in 'Common Session (CS)' to submit your paper.

Paper submission deadline: PM 5:00, 5th April 2013

After your submission, JSCE international office will provide the detail information. If you are not going to submit a paper, please make contact with JSCE international office below.

Registration fee is required only for the participation in the JSCE Annual Conference. In addition, participants who will make a presentation must be a member of JSCE. If you are not the member, please register the membership by **26th March** to get your membership ID.
