

JSCE 15th International Summer Symposium in conjunction with JSCE 68th Annual Conference at NIHON University, 4th-6th September 2013

Program (details will be announced soon)

Paper Presentation (4th – 6th September)

Max. 2 pages, Non-refereed paper

See below 'how to apply'

Workshop for Young Engineers (5th September)

A half-day workshop

All JSCE Annual Meeting participants are invited to join the workshop
Discussions and presentations will focus on a future society.

Round Table Meeting (RTM) and Int'l Chapter Meeting (4th September)

Open to all JSCE Annual Meeting participants.

International civil engineering professionals will discuss their views and ideas on engineering challenges.

International Summer Symposium Dinner (4th September)

All participants are cordially invited.

A good opportunity to civil engineering professionals overseas.

How to Apply

International Summer Symposium will be held as part of JSCE 68th Annual Meeting.

Please register and submit your paper(s) in English on the Annual Conference website:

<http://committees.jsce.or.jp/zenkoku/gaiyo/top> (in Japanese).

Please choose the 'International Session' in 'Common Session (CS)' to submit your paper.

Paper submission deadline: 5:00 p.m., 5th April 2013

After you submit your paper(s), JSCE Int'l Activities Center will give you. If you decide not to submit a paper, please contact the JSCE Int'l Activities Center.

Registration fee is required only for the participants in the JSCE Annual Meeting. ISS participants who will make a presentation must be JSCE members. If you are not a JSCE member, please apply for the JSCE Membership by 26th March.

Inquiry: International Activities Center, JSCE
